- **No variance, resolution or special-use approval has been found** in the records we hold. The Town has been asked to confirm.
- The Miami-Dade County microfilm is in hand, but it is **partial**. The Town of Medley's own files are still pending.

2. Each record, one by one

PB25-0289 · Change of use FINALED

Agency	Town of Medley Building Department
Project	JRAL25-0039
What it was for	Change of use of Bay 2 to the tenant's current use.
Result	Finaled 12/10/2025. Certificate of Occupancy OF25-0069 issued.
Still needed	The approved plans, occupant load, seating layout and parking count behind this approval (requested from the Town).

OF25-0069 · Certificate of Occupancy ISSUED

Agency	Town of Medley
What it shows	Occupancy approved at the close of PB25-0289.
Still needed	The certificate itself, with the approved occupancy class (Assembly or Business) and occupant load. Our plan sheet A-1 shows 252 occupants; this must match the approved record.

OF24-0016 · Certificate of Occupancy (earlier) COPY REQUESTED

Agency	Town of Medley
What it shows	An earlier occupancy for the unit (2024). Its scope has not been confirmed yet.

ZV26-0109 · Zoning verification COPY REQUESTED

Agency	Town of Medley Zoning
What it shows	A 2026 zoning verification for the address. It is the closest record to a use approval. It is not a variance.

PB26-0047 · After-the-fact process number VOIDED

Agency	Town of Medley
Project	JRAL26-0007
What it was for	Issued 3/31/2026 so the plans could go to Miami-Dade Fire and DERM for review before submittal to the Town.
Result	The plans were never submitted to the Town. After 180 days with no activity the number was voided. **A permit was never issued.** (Town reply, 10/13/2026.)
Next step	A new application, with Fire and DERM approvals first.

ECC2026-0280 · Code enforcement case OPEN

Agency	Town of Medley Code Compliance
What it is	The enforcement case tied to the work done without a permit at Bay 2.
Still needed	The notice of violation, every citation number and every deadline. Requested from Code Compliance on 10/12/2026.

B2020-0177 · Approved plan set (2020) MUST BE RE-OBTAINED

Agency	Town of Medley (scanned complete approved set)
What it is	The earlier approved drawings for the building, from before the current use.
Status	Sent by the architect by download link on 9/24/2026. The link expired on 9/27 before it was saved. A new copy is needed from the architect or the Town.

DERM operating permit · prior tenant (NDS Tires) HISTORY

Agency	Miami-Dade County DERM
What it is	An environmental operating permit dated 7/1/2024 for the earlier occupant of the address. It is property history and does not cover the current tenant.

Miami-Dade County microfilm · request X2027004874 PARTIAL

Agency	Miami-Dade RER Microfilm Section
Requested	All plans on file for 7265 NW 74 St: site, original construction, architectural, structural, electrical, plumbing, mechanical, revisions, additions and alterations, permit applications, and open or expired permits.
Status	Obtained in part. The county notes that it may not hold every record for the property.

3. Variances, resolutions, special use, certificate of use

- **Variances:** none found in the records we hold.
- **Resolutions:** none found.
- **Special or conditional use approvals:** none found. ZV26-0109 is a zoning verification, not a variance.
- **Certificate of Use / business license:** not yet in hand. Requested from the Town.
- **Mezzanine:** no record yet shows that the mezzanine, its use or its area was reviewed or approved under any permit.

4. Still pending from the Town of Medley

- All microfilm, scanned or archived permit files for the address and folio.
- The PB25-0289 approved plans, occupant load, seating and parking calculations.
- Certificates OF25-0069 and OF24-0016, and zoning verification ZV26-0109.
- Any mezzanine approval.
- The approved occupancy class, occupant load and parking count.
- The business license or certificate of use record.
- From Code Compliance: the notice and citations on ECC2026-0280.
